Dr. Edmond Bedrossian received the DDS degree from the University of the Pacific, and completed his Oral and Maxillofacial Residency at Alameda Medical Center.

Dr. Bedrossian is a Diplomate of the American Board of Oral and Maxillofacial Surgery.

He is also An Honorary Member of the American College of Prosthodontists.

He is a Professor and the Director of Advanced Implant Reconstruction at the University of the Pacific School of Dentistry as well as the Chairman of the ITI scholar center, San Francisco. He has combined private practice with academics with over 30 years or experience.

He has authored multiple articles and chapters on the various uses of the Zygomatic implant, bone grafting and treatment planning in implant dentistry.

He has also authored several text books including:

- "Implant treatment planning for the edentulous patient", forewarded by Professor Brånemark
- "Immediacy Concept", forwarded by Professor Daniel Buser
- "Demystifying Zygoma implant"

Dr. Bedrossian is on the Editorial review Board of:

- The International Journal of Oral & Maxillofacial Implants
- The Journal of Oral & Maxillofacial Surgery
- The Clinical Implant Dentistry and Related Research
- The Journal of Prosthetic Dentistry
